SCOOP SHEET

Howdy All;

Wow! Here it is February already, I'm still in December and don't have a clue where the heck January went. This weather we're having is nuts, one day it's 80 next day it's 50. I guess it could be worse we could be getting that stuff up north. We have azaleas blooming one day and frozen the next. All in all we've had great weather most of the year so far and that fuzzy little feller didn't see his shadow. Things around the neighborhood have been quiet to speak of with the weekenders not coming down. There have been a few break-ins, and an arrest has been made, so maybe the stealing and break-ins will stop. Hope they put the cowards under the jail. Neighbors on another note, there has been some dogs running loose. In case you didn't know there is a Leash Law in Putnam County and it's against our by-laws also. Plus it's not right your neighbors have to clean up your dogs mess. Thanks to Kris for fixing the b-ball backboard.

Folks it's that time of year when elections for 3 Board seats are up. If you might be interested call Kris @ 386-684-0235 or me @ 386-684-0223. We need a resume of 50 words or less and have to be in by the 13th of February. Not a lot of time left, now is your chance to have a say in your community. The mowing bids were opened and the contract was given to Tim Schrock who had the lowest bid.

Now on to the Board meeting. **Executive Committee**; David Kline submitted plans for a work shop which were approved. **Custodial/Maintenance**; Fixed b-ball back board, cleaned off top of garage and will get limbs cut. **Hall Use**; February 17 voter training, February 20 records review. **Neighborhood Watch**; There was an owner approached about buying a truck tool box, but he declined. Remember folks if in doubt or it seems strange call Sheriff 329-0800. **Yard of Month** went to David and Martha Kahill @ 123 Clearwater. **Welcome Committee**; David & Rutilla Kline @ 113 Dogwood. Steve Steele, 126 LST, **Activities & Events**; Nothing. **Yard Sale**; April 9th get those donations in. **Gov. Doc**; Meeting February 25th @ 6:30 P.M.

Well neighbors that wrap's up another month. Oh! Guys you know February 14th is Valentines Day, yea I know she don't want anything, but watch what happens if you forget it. :-) Do you have a couch?
