

Scoop Sheet
April 2016

Howdy Folks;

Well here it is the start of lake season April, it seems this is the month the weekenders start coming back to clean up for the summer. It's nice to see everyone back. So far for April I don't think you could ask for better weather. The Association is in the fix it up mode also. Kris, George & Bob have repaired the dock at the boat ramp, Kris & George have changed the flag at the entrance. The state has come in and sprayed the area's in the lake with the weeds so things are starting to take shape. We still have some things to fix & take care of, but the help seems to be scarce so it takes a bit longer to get things done. If you missed the annual luncheon/ meeting you missed a lot of great food and meeting your new Board Members for the coming year. They are the same ones as last year with the exception of Woody who decided to not run again. So that being said we now have 2 seats open on the Board. It would sure be nice to see some new people take an interest in getting on the Board. A couple of new voices would bring some new ideas also which would be a good thing. On a county note we might get Holiday re striped in late summer or early fall, so they tell us and on another note the state says no more back yard gun ranges they even made it a law, so sorry take yours down now. We still have some rather large dogs running loose, and the animal control has been called so take heed. Now lets get to the meeting.

Executive Committee; We have new neighbors building on lots 356 357,358 Ed & Rotillia Taylor bought the property and are building a 21x20 sq. ft. house on them. Its nice to see new construction. **Custodial /Maintenance;** Flag at entrance was changed and a new pressure switch was installed on the well pump. **Hall Use;** Mike Walker had it Easter & gave a donation, thanks Mike. Ray Woodard in May. **Neighborhood Watch;** Had nothing and that my friends is a good thing. **Yard of the Month** went to Woody & Glenda Woodard @ 812 LST. **Activities & Events;** The annual Membership meeting was a good time and good food had by all. **Yard Sale;** Is this Saturday from 8 till 2 sorry for the late notice. **Governing Documents;** Meeting after the Board meeting. That folks is your first Board meeting of the new year for us.

Still on a sad note it seems the people are still driving across the front of the clubhouse, they are going to force us to put posts down the lot. That's your monies they are going to cost us. Sure seems a shame some people just don't give a dam. Sorry neighbors, but just needed to vent. Better now. LoL. Still keep in mind if you see something going on please call the Sheriff, 329-0800 or if emergency 911. Remember its your neighborhood & your neighbors you'll be helping. I was re-elected your Secretary & Newsletter editor for next year so if you might have something you need posted in the news letter or something you want me to bring to the Board let me know my e-mail is grandon123@hotmail.com. I will do my best to take care of it.

“ The only keeper of your happiness is you. Stop giving people power to control your smile, your worth and your attitude”

Dat's it for now folks see ya next month..
