

Howdy Folks;

Well here it is November and Christmas is only 50 days away, did I just say 50? That only leaves 21 days till Kris & Rose Thanksgiving dinner at the clubhouse. Every body is welcome only requirement you have to bring a covered dish that would feed your family plus 1 or 2 more, just so there is enough for everyone. Dinner will be at noon and if you haven't been before its a great time to meet your neighbors that come and to give thanks for your year. **Remember the 26th at noon.** I would like to thank George Clark for the great job he did with the yard sale, if you missed it we had some good things that went for a great price. Now on to a sad note, there has been some break-ins in the neighborhood recently sorry to say. Sure is a shame that people work hard for their money to have nice things and some coward comes along and steals it, cause they can't hold a job only till the first drug test. So if you would please keep your eyes open and if you see any strange activity going on please call the sheriff the **# is 329-0800**. If you think its real important there's always **911**. We do have some activity on a security camera. I'm sorry to bring the bad news.

Now the Board meeting, We had 2 Board members out so it went kind of quick. Well not really :-). **Executive Committee**; Had nothing, **Custodial/Maintenance**;, Kris put some ant stuff out for all the ant mounds around the clubhouse. They put up little sign's thanking him and made twice as many mounds. So Kris is going after the good stuff now. They got's a surprise coming. **Hall Use**; Only the Thanksgiving Dinner on the 26th @ noon don't forget. We do have some dates already for next year. There for the election dates for next year. **Neighborhood Watch**; Bob talked about the break in's going on. **Yard of the Month**; Went to Danny & Vicky Duncan @ 808 LST. They have let a friend use it & he has been doing the yard,his name is Tommy. **Welcome Committee**;Greg & Gail Haile @119 Clearwater Rd. **Actives & Events**; Thanksgiving Dinner 26th @ noon. Christmas party on the 12th @ 6 P.M. Theme is Peanuts. **Yard Sale**; we took in \$ 251.50, way to go George. Many thanks to all who helped get this ready. **Governing Documents**; Date for budget meeting November 12th @ 7 P.M. Bob is getting the packet ready to file for small claims court against those who are behind in their maintenance fees. It's sad that its come to that being the only way we can get members to pay their fees. I understand its so expensive the \$50 a year for what little we have, clubhouse, boat ramp, beach. There are HOA's that charge a whole lot more for a lot less and they don't have half the trouble getting their fees we do.

Lets not forget Thanksgiving dinner on the 26th @ noon, bring covered dish. Christmas dinner on the 12th @ 6 P.M. Also that's a covered dish and a lot of fun.

Don't forget our Vet's on the 11th That's Veterans Day..

Common sense is a flower that doesn't grow in everyone's garden....

That wrap's up this month may everyone have a Blessed Thanksgiving...

SCOOP OUT
