The Executive committee presented the dock plans for the Shillers @746 Lake Shore Terr. Which were approved. House plans for Dave Graham @ 280 Holiday Dr. were also approved. It was brought to the attention that trash is being dumped on empty lots, now come on people we all live here and the dumps not that far away who ever is doing it STOP! The Maintenance, Hall use, Welcoming, Activities, and Front Entrance committees had nothing to report as their just starting. The yard sale was done by Elizabeth Williams who did a great job, with help from the Dreiers, Reams, and any body else I might have forgot, I'm old I can forget**
