

LAKE SHORE LOWDOWN
FEBRUARY 2011

HAPPY FEBRUARY.....

Hello Everyone, Sorry the newsletter is a little late. I am working in Jacksonville during the week and coming home on the weekends. I don't have access to a computer in Jax. This month is slim, not a lot to report.

Let me give you the L/D for February first:

Yard of the Month: Again there was no yard of the month. Everything is still brown for everyone.

Next, the **bids for the lawn** service was read at the monthly meeting. The board will be calling the bidders and asking for some clarification. They will vote at the next board meeting on March 7th, 2011.

The big issue that is coming up will be next month. The Annual Board Meeting will be held on March 19th, 2011 at 1:00PM. Lunch will be served. The Board will be providing Fried Chicken and Baked Ham. Members are ask to bring a covered dish. This is also for election of the 3 vacant Board Director spots that will be up for voting. Please fill out and return your ballots before March 17th.

The following people have stepped up to the plate:

1. Darlene Matthews
2. Karen McCarty
3. Sabrina Thomas
4. Troy Weaver
5. Clyde Williams

If you did not receive the ballot, please contact Kris Clark about sending you one.

There will be a community work day on March 12th at 8:30am. We need to spruce up around the community before the annual meeting the following week.

We are glad that the Radovich home has been rented and to a Police Officer no less!!!

We will be supporting the National Neighborhood Night Out again this year. It will be in August. As the event gets closer, I will send out info about our part in it.

April will be here before you know it. The semi-annual Yard Sale will be on April 2nd. You can rent a table at the Club house or have your own sale in your yard. Tables are \$5 each. See Ann Spotnagle for a table. Tell your friends if they have crafts or things they want to sale, come and rent a table to help us raise money for the association.

AGAIN, I am asking that you forward me an email so that you can receive the newsletter faster, we can save a tree, and some of the \$\$ we spend on postage, paper and copies. Send it to: marthalcabill@yahoo.com
If you have anything you want to put in next months issue please email or call me @ 904-887-3183.

Well, I guess that is all the **“low down”** for our community this month. Please be a part of the board meeting as well as submitting your ideas for things we can do as a community for each other.

TTFN,
Martha “)
