

Scoop Sheet
May 2016

Well Howdy Neighbors;

Wow! Here it is May already, but due to lack of rain I'm having a hard time finding the May flowers. I was told the lake has gone down 8 inches in the last month, that's not good as we haven't gotten to summer yet. I believe the darn leaves have stopped falling at least I hope so. The yard sale was a success we had a good turn out & for a change the weather was nice. It seems we have some people in here that can't understand **DON'T DRIVE ACROSS FRONT OF CLUBHOUSE** the road goes around. We will be putting a stop to it though, we're going to be installing some 4x4 posts from the clubhouse down, its just a shame we have to spend the monies for post's & have a work party for a few inconsiderate people. On another negative point we still have dogs running loose. It was brought to our attention that some have electric collars that work from a remote, not sure how good that works & how does that work with cleaning up their mess? The state has been in & sprayed both lakes to try and check the weeds. We're going to be pressure washing the garage so it can be painted just one thing we're trying to get done. We have finely wore down Al Brown to join us on the Board HE SAID YES now there's only 1 seat open hurry up people lets fill it. Now on to the Board meeting. By the way the state has removed an 81/2 ft Gator from the small lake. So much for our cookout. Lol..

Executive Committee; Some people are fixing their dock's, Bob submitted plan's for a ramp on the front of his house that he needs to build, motion by Kris 2nd by Karen. motion passed.

Custodial/Maintenance; Tim Schrock removed the big stump from the yard, looks nice. **Hall Use**; we have it reserved for two times in May, seeing it's wedding time & summer coming if you have a need for the hall you better get your reservation's in, Mary Brown's # is 684-0806 **Neighborhood Watch**; nothing to report **Welcome Committee**; New neighbor in the stone house next to the boat ramp his name is Bruno Devolz. Say hi if you see him out. **Yard of the Month**; Del & Kathy Matchett @ 724 LST. **Activities & Events**; June 4th the appreciation dinner for the neighborhood watch. **Yard Sale**; we took in \$178 for the day. Many thanks to the people who helped, George & Bobby Clark, Nancy, Glenda, Bob, & the ladies from the First Baptist Church. **Governing Documents**; The accounts in arrears were taken to the attorney to send demand letters, the one to foreclose on also has been sent. That about covers the Board meeting.

Folks if you see things out of the ordinary remember call the Sheriff @ 386-329-0800 they have been patrolling in here more. In case you haven't seen the notice we are under water restriction's, odd numbers on Wednesday & Saturday, even numbers on Thursday & Sunday. Before 10 A.M. & after 4 P.M. hand watering any days.

“Patience is not the ability to wait, but the ability to keep a good attitude while waiting”
Joyce Meyer.

“ Sometimes the grass is greener on the other side because its fake”

That's all Folks, see ya next month good Lord willing.....
